No recommendation

Action or Discussion Items:

Discussion, Possible Action

Discussion:

The Management Team has completed its planning for the 2018 risk management cycle in partnership with jurisdictions, the NCRIC, and Haystax Technology. Please see Appendix B for the outline of the Risk Management Program schedule for CY 2018.

Risk Management 2018 Program Highlights

- Jurisdictions will provide priority levels to assets in Cal COP that do not yet have them.
- The NCRIC will update the Dam Sector in Cal COP.
- The UASI Management Team will review Cal COP user accounts for proper access levels.
- The UASI Management Team and stakeholders will reduce the number of measures in the Capability Assessment Tool in preparation for the 2019 regional capability assessment.

THIRA 2018 Highlights

The UASI Management Team will:

- Replace the San Andreas earthquake scenario with the HayWired scenario which is based on the Hayward fault.
- Review edits with stakeholders to selected THIRA scenarios in July via WebEx.
- Provide UASI Regional Workgroups with proposed changes to THIRA outcomes, impacts, targets, and resource requirements for core capabilities that may have changed based on the new earthquake scenario.
- Present the completed THIRA at the November Approval Authority in preparation for submission to DHS/FEMA by December 31st.

Background:

Approval Authority Bylaws specify that the Approval Authority must use a risk and capability-based methodology to apply for and allocate grant funds. This is consistent with guidance from DHS that states that all levels of government must establish a foundation to justify and guide preparedness activities and investments. In addition, DHS requires all grantees to produce a Threat Hazard Identifications and Risk Assessment (THIRA) on an annual basis.

Points of Contact:

The success of the Risk Management Program depends on Core City/Operational Area points of contacts. Below please find our current list; please contact Amy Ramirez with any changes.

**Bay Area UASI Risk Management Program
Operational Area/Core City Points of Contact**

Op Area/Core City	Name
Alameda	Paul Hess, Emergency Services Manager
Contra Costa	Rick Kovar, Emergency Services Manager
Marin	Chris Reilly, Emergency Services Manager
Monterey	Gerry Malais, Emergency Services Manager
	Patrick Moore, Emergency Services Planner
Napa	Kevin Twohey, Emergency Coordinator
Oakland	Dena Gunning, Core Coordinator
San Benito	Kevin O’Neill, Emergency Services Manager
San Francisco	Katharine Cook, SFPD HSU CIKR Assessment
San Jose	Ray Riordan, Director
	Steven Jeffrey, SJPd Criminal Intelligence Officer
San Mateo County	Craig Denton, Lt, OES & Homeland Security
	Paul Kunkel, Lt. Homeland Security
Santa Clara	Dana Reed, Emergency Services Manager
Santa Cruz	Rosemary Anderson, Emergency Services Manager
Sonoma	Brendan Kearney, North Bay Hub Coordinator
Solano	Don Ryan, Emergency Services Manager
