

# Bay Area UASI Management Team Emergency Management Work Group 2018 Work Plan

The Emergency Management Work Group is chaired by Corinne Bartshire of the Bay Area UASI Management Team. The Chairperson is responsible for developing meeting agendas, scheduling and facilitating regular meetings, and distributing meeting summaries to work group members.

## I. 2018 Project Oversight

Consistent with the ongoing purpose as stated in the Emergency Management Work Group Charter, the work group will oversee the following projects:

- Care and Shelter Capability Building
- Access and Functional Needs Planning
- Regional WebEOC Standardization
- Emergency Management Exercise (Full Scale Shelter and EOC Activations )

## II. Member Roles and Responsibilities

Members of the work group are expected to attend scheduled work group meetings in person or via teleconference if necessary for the purpose of:

- Providing subject matter expertise and jurisdictional perspectives to the oversight of applicable projects
- Offering input to the active subcommittees to ensure relevant and quality outcomes of all projects
- Participating in the review of draft and final project deliverables
- Engaging in current regional collaboration efforts and reporting updates to their Office of Emergency Services leadership

The Emergency Management Work Group is scheduled to meet 5 times during 2018. Additional meetings may be scheduled as necessary. Each meeting will last no more than 2 hours. Between meetings, correspondence to work group members will be conducted via email from the Chairperson. Work group members are encouraged to participate in regional workshops, relevant trainings, and other events coordinated by this work group and its subcommittees. At a minimum, work group members should coordinate appropriate event participation by staff within their jurisdiction.

## III. 2018 Active Subcommittees

Below are the current subcommittees which will report to the Emergency Management Work Group no less than quarterly throughout 2018.

### Care and Shelter Subcommittee

This subcommittee is led by the Work Group Chairperson and consists of members from local government, state agencies, and non-profit agencies with care and shelter functional roles within the Bay Area UASI region. The objectives for the Care and Shelter Subcommittee are detailed in the 2018 Regional Care and Shelter Capability Building Project Charter. During 2018, this subcommittee has agreed to meet monthly per the meeting schedule in **Table 1**.

## Exercise Planning Team

This team is led by the Work Group Chairperson and is limited to members representing the 14 UASI jurisdictions (San Francisco, San Mateo County, Santa Clara County, City of San Jose, Monterey County, San Benito County, Santa Cruz County, Alameda County, City of Oakland, Contra Costa County, Solano County, Napa County, Sonoma County, and Marin County) and key state and federal agencies. All other local government, special district, and non-profit agencies are welcome to coordinate through the appropriate UASI jurisdiction to participate in region wide exercises planned by this team.

The 2018 full scale exercise will focus on care and shelter capabilities. Each UASI jurisdiction will be offered contractor support to design a local (operational area or core city) EOC exercise based on local care and shelter plans. Each UASI Hub (east bay, north bay, west bay, and south bay) will host a minimum of one full scale shelter activation during the exercise. Contractor support will be provided to design, conduct, and evaluate four full scale shelter activations. Federal and state agencies will be encouraged to participate as they would during a regional catastrophic event. The Exercise Planning Team and additional participating agencies will follow HSEEP guidance and participate in a series of planning meetings (refer to **Table 1**), provide input into development of exercise objectives, and perform oversight of contractor deliverables.

## IV. Subcommittee Roles and Responsibilities

Each Emergency Management Work Group subcommittee will provide project guidance, oversight and stakeholder representation in the development of the subcommittee's assigned projects.

Subcommittee members are expected to:

- Attend scheduled subcommittee meetings and respond to subcommittee correspondence
- Confirm project goals add value for the majority of Bay Area UASI jurisdictions
- Confirm the documented scope of work meets the goals of each project
- Oversee the progress of the relevant project and provide status to the Emergency Management Work Group and other stakeholder groups as appropriate (i.e. Coastal Region MARAC).
- Review draft project deliverables and provide input to ensure quality outcomes.
- Participate in planning workshops and other relevant project tasks by attending scheduled meetings and/or coordinating appropriate attendance from their jurisdiction.

## V. Future Focus Areas / Project Ideas

The following are focus areas for the Emergency Management Work Group to consider approaching through regional coordination in future years:

- Consider establishing an MOU Subcommittee for ongoing efforts regarding volunteers, critical transportation, debris management, etc.
- Just In Time training for shelter workers (not reliant on ARC)
- Critical Transportation Capability Building – result of C-POD and Care & Shelter work, lacking coordination, understanding of resources to move survivors and life sustaining commodities.
- Family Reunification Training / Workshop
