FY'24 - UASI National Priority Program: Enhancing Community Preparedness and Resilience

Pending

Performance Period: September 1, 2024 – December 31, 2026
Allocated Amount: \$1,044,757

Planning:

Continue previous efforts to support disaster readiness planning in the community by offering technical assistance to community organizations and small businesses.

Equipment:

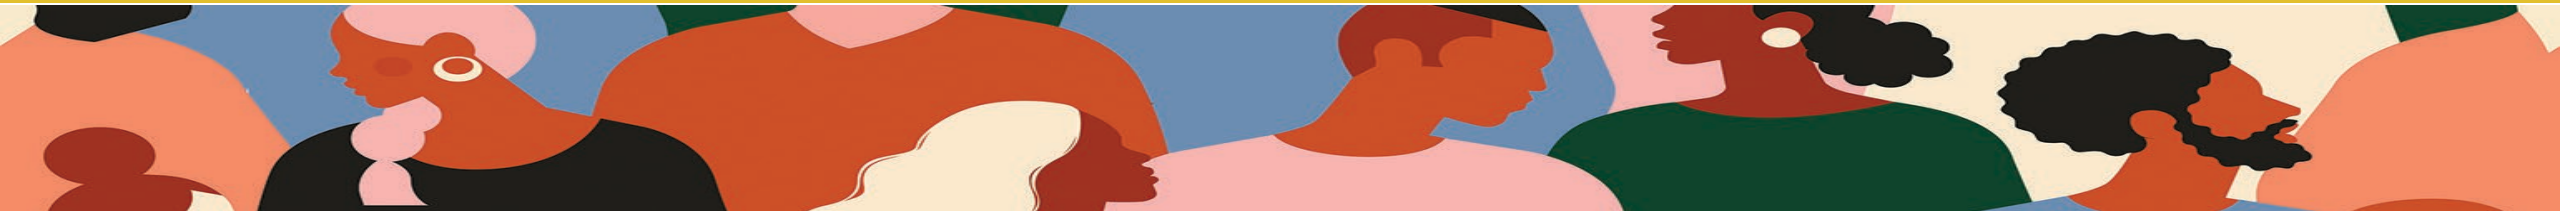

Purchase disaster readiness supplies for the whole community as identified by stakeholders.

Training:

Provide multilingual trainings to underserved communities throughout Bay Area UASI jurisdictions.

Exercise:

Jurisdictions and partner agencies will be offered the opportunity to customize an exercise allowing the community to address their specific needs.
